

SHIFT HANDOVER SHEET

Leadership by Design
Clear handovers. Safer shifts.

L | BD

Date _____ Shift: ☐ Day ☐ Night ☐ Other _____ Handover time _____

Outgoing leader _____ Incoming leader _____ Area / line _____

Staffing

Headcount planned and actual. Who is in, who is not.

Planned _____ Actual _____ Absent / late (names): _____

Overtime or cover arranged: _____

Safety

Full details go on the Shift Incident Log.

Incidents / near misses: _____

Hazards to watch: _____

Open safety actions: _____

Output vs target

Say why, not only what.

Measure	Target	Actual	Variance	Reason

Equipment

Faults, jobs logged, what to watch.

Equipment / asset	Issue	Job no.	Status

Open tasks

Carried over to the next shift. One owner each.

Task / action	Owner	Due	Status

Quality and customers

Complaints, defects, holds.

Key messages

Top three things the next shift must know.

- 1 _____
- 2 _____
- 3 _____

Sign-off

Outgoing leader _____ Time _____ Incoming leader _____ Time _____

Walk it through face to face. Both leaders sign before the outgoing leader leaves.

SHIFT INCIDENT / ISSUE LOG

Leadership by Design
One incident per sheet. Facts first.

L | BD

Site / Area _____ Date _____ Time found _____

Shift ☐ Day ☐ Swing ☐ Night ☐ _____ Reported by _____ Role _____

Type

One primary type. If it spans two, pick the one that needs action first.

☐ Safety / near miss

☐ Equipment

☐ Quality / customer

☐ Staffing / people

☐ Other: _____

What happened

Facts only. What did you see or hear? Who was involved (roles, not gossip)?

Immediate action

What did you do right away to make it safe or stop the loss?

Impact

One impact per row. More than 3? Continue in What happened and write "see What happened".

People affected
who, how many

Output / quality hit
units, batch, order

Equipment status

☒ OK ☐ Watch ☐ Down

Est. downtime / delay
minutes or hours

Likely cause

Best guess for now: process, tool, training, communication or other?

Likely cause: _____

Evidence / why: _____

Escalation

Who knows about it beyond this shift?

Escalated to _____ How: ☐ Call ☐ Radio ☐ Ticket Time _____

Ticket / ref no. _____ ☐ Not escalated. Reason: _____

Actions to close

Who does what, by when. Tick Done only when it is finished.

Owner	What	Due	Status
			☐ Open ☐ Done
			☐ Open ☐ Done
			☐ Open ☐ Done
			☐ Open ☐ Done
			☐ Open ☐ Done

Sign-off

Reported by _____ Supervisor reviewed _____ Date _____

Carry open actions into the Shift Handover Sheet. Do not leave them only on this page.

OPEN INCIDENTS TRACKER

Leadership by Design
Bring this page to every handover.

L | BD

Open incidents this week

Update at each handover. Close only when Done is ticked on the incident sheet.

Site / Area _____ Week of _____ Supervisor _____

#	Date	Type circle one	One-line summary	Owner	Due	Status circle one	Handover ref sheet / item
1		S E Q P O				Open Handed over Closed	
2		S E Q P O				Open Handed over Closed	
3		S E Q P O				Open Handed over Closed	
4		S E Q P O				Open Handed over Closed	
5		S E Q P O				Open Handed over Closed	
6		S E Q P O				Open Handed over Closed	
7		S E Q P O				Open Handed over Closed	
8		S E Q P O				Open Handed over Closed	
9		S E Q P O				Open Handed over Closed	
10		S E Q P O				Open Handed over Closed	

Type key: S = Safety / near miss · E = Equipment · Q = Quality / customer · P = Staffing / people · O = Other

If Status is Open at shift change, copy the # and Owner onto the Shift Handover open-items log.

This is an ops log, not a formal HR or legal investigation form.
